XOCOLATA JOLONCH

Xocolata Jolonch is the oldest chocolate factory in Agramunt and is the world's second oldest chocolate factory still producing. Since 1770 this factory has passed down its original recipes from generation to generation.

Using the best selection of ingredients, our artisan chocolate maker uses care and intimate supervision to make our extra fine chocolates, in two elegant presentations, traditional style boxes and a new line of special flavors, visually attractive.

Xocolata Jolonch produces stone ground chocolate which has a completely special unique taste enjoyed by all. Another speciality is the hot thick liquid chocolate which is a completely authentic treat!
